Environmental Policy

We are a leading supplier of fixings, tools and site consumables with a reputation for delivering high quality products and excellence in customer service.

We are committed to providing a quality service in a manner that ensures a safe and healthy workplace for our employees and minimises our potential impact on the environment.

We respect the principle of Sustainable Development and aim to work in a way that meets the needs of today's generation whilst ensuring that future generations can also meet their needs.

We make the commitment to:

- Keep up to date and comply with all relevant environmental legislation
- Integrate the consideration of environmental concerns and impacts into all of our decision making and activities
- Promote environmental awareness among our employees and encourage them to work in an environmentally responsible manner
- Reduce waste through re-use and recycling
- Avoid unnecessary use of hazardous materials and products
- Communicate our environmental commitment to our customers and suppliers and encourage them to support it
- Strive to continually improve our environmental performance and minimise the social impact.

We will review this Environmental policy annually to check it is up to date and to make sure we are looking at new areas for improvement.

The responsibility of updating and maintaining this policy lies with the Managing Director
